SKILLS

- **Languages:** C++, Python, C, JavaScript, PHP
- **Frameworks:** HTML and CSS, Node JS, React
- **Tools/Platform:** MySQL
- **Soft Skills:** Creativity, Communication Skills, Adaptability, Remembering/Understanding

TRAINING

- **Summer Course:** Data Structures and Algorithms using C++ (Lovely Professional University) July 2025
 - **About:** Focused on analysing and constructing fundamental data structures and applying algorithmic techniques for computation and optimisation.
 - **Technology Focused:** Implemented data structures using C++, Analysed, applied and evaluated time and space complexities to improve solution efficiency. Developed a structured approach to solve computational problems.

PROJECTS

- **Blog management System** | [Github](#) December 2025
 - Developed a full-stack blog platform with role-based (Admin, Contributor, Reader), enabling blog creation, editing, comment management, and content moderation.
 - Implemented admin controls for managing users and roles, contributor tools for writing/editing blogs and replying to comments, and reader features to explore trending and published blogs.
 - Designed a modular and responsive interface to ensure smooth content management and improved user engagement.
 - **Tech:** React, Node.js, JavaScript, REST APIs.
- **Smart IoT Crop Monitoring** | [Github](#)
 - Developed a crop-monitoring platform integrating IR-Sensor IoT, and polished: user access (signup, login, and password recovery) and a simplified crop-health dashboard.
 - Handled the development of the authentication module, including signup, login, and secure password-recovery flows.
 - Delivered a system that provided clear crop-health visibility, supported timely decision making and offered strong scalability for integrating additional sensors or expanding to multi-farm setups.
 - **Tech:** HTML, CSS, JavaScript, PHP

CERTIFICATES

- Data Structures and Algorithms using C++: Lovely Professional University | [Certificate](#) July 2025
- Deep Learning: NPTEL Swayam | [Certificate](#) April 2025
- Computer Communications: Coursera | [Certificate](#) August 2024

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
Bachelor of Technology- Computer Science and Engineering: **CGPA: 7.59** Since August 2023
- **Kendriya Vidyalaya No.1 AFS Adampur** Adampur, Punjab
Intermediate: **Percentage: 74.6** April 2022 – March 2023
- **Kendriya Vidyalaya No.1 AFS Adampur** Adampur, Punjab
Matriculation: **Percentage: 88.8** April 2020 – March 2020
